## **About the Instructors**

**Ms. Janet Bunn** has been with the Georgia Department of Agriculture since 1996. She is currently an Inspector in south metro Atlanta. Jan spent 6 years in the Department's main office in Atlanta before transferring to the field. She is certified in Wood Destroying Organisms and Household Pest Control categories in the state of Georgia.

**Ms. Caralee Hagood** has been an Inspector since 1990. Prior to this she applied pesticides under her Turf and Ornamental license. She is currently certified in Wood Destroying Organisms and Household Pest Control in the state of Georgia.

**Mr. Dennis Judy** is the Technical Director / Director of Education for Allgood Pest Solutions. He is responsible for developing new programs, providing CEU and Technical Training opportunities and shepherding the product usage decisions and safety strategies for Allgood.

**Dr. Daniel Suiter** is Professor, Urban Pest Management Extension, Department of Entomology, University of Georgia in Griffin, GA. Dr. Suiter coordinates the training activities of the Structural Pest Control Training Center. Dr. Suiter provides support for the pest control industry in Georgia and the U.S. through his development of a comprehensive extension and research program on the biology and management of pest ants.
